

Domestic Wire Instructions (Into your Integral Financial, LLC Account):

Please use the information below to wire funds from your bank account to your Integral's account. Funds are immediately available for trading after receipt of the wire. Integral Financial, LLC does not charge for wiring funds into your Integral's account; but your bank may. Please consult with your bank about their fee schedule.

For tracking purposes, please obtain a receipt and a "Fed Reference Number" from your bank after you submit your instructions. Always know the exact amount you have transferred. Be sure to review your account on-line, or check with us, to confirm receipt.
